

<b>PLAN OPERATIONS</b>	 From DentaQuest		
	<i>Policy and Procedure</i>		
	Policy Name:	<b>Accessibility of Services</b>	Policy ID: <b>PLANCG-01</b>
	Approved By:	Quality Assurance Performance Improvement Committee	Last Revision Date: 09/30/2021
	States:	Oregon	Last Review Date: 11/15/2021
Application:	Medicaid	Effective Date: 11/16/2021	

**PURPOSE**

To ensure that applicable information and services shall be accessible to enrollees.

**POLICY**

1. The Dental Care Organization (DCO) shall not deny or reduce the amount, duration, or scope of an Oregon Health Plan (OHP) Covered Service solely because of an enrollee’s diagnosis, type of illness, or condition.
2. The DCO shall provide all enrollees with dentally appropriate covered services in an amount, duration, and scope that is no less than the amount, duration and scope for the same services furnished to clients under Fee-for-Service.
3. The DCO shall provide all enrollees Covered Services such that they are sufficient in amount, duration and scope to achieve, as can be reasonably expected, the purpose for which the services are furnished. Such Covered Services shall include, without limitation, the following: (1) The prevention, diagnosis, and treatment of a disease, condition or disorder that results in health impairments or disability; (2) The ability to achieve age-appropriate growth and development; and (3) The ability to attain, maintain or regain functional capacity.
4. The DCO providers shall comply with applicable provisions of the American Disabilities Act (ADA). The DCO will require all contracted provider offices to self-report on ADA facility compliance to ensure physical access, reasonable accommodations, and accessible equipment for enrollees with physical and mental disabilities. Self-reporting will be completed upon contracting and annually thereafter. For purposes of such self-reporting, provider offices will use a Facility Inspection Checklist provided by DCO. To validate this self-reporting, DCO will randomly audit 5% of all contracted provider offices each year by conducting on-site inspections using the same Facility Inspection Checklist as the provider offices. The 5% audit will include provider offices in each Oregon Health Plan service region in which DCO is a subcontractor.
5. In the event that a provider is unable to meet the unique needs of a DCO enrollee by reason of that enrollee’s specific disability, the provider shall notify Care Coordination of the enrollee’s need for service and the enrollee’s physical limitations.
  - a. Care Coordination shall secure the appropriate dental services for the enrollee, including enrollees that are aged, blind, disabled or having complex medical needs, Special Health Care Needs, or who are children receiving Children Adult and Family Services (CAF) or Oregon Youth Authority (OYA) services, to the extent of arranging for a home visit or securing the services of a non-participating provider.

- b. If a non-participating provider is selected to provide needed dental services to the enrollee, Care Coordination shall notify the enrollee's Primary Care Dentist (PCD) to complete the required referral form for submission to the Preauth & Referral Department. Care Coordination shall change the enrollee's PCD if necessary to ensure access to appropriate dental services.
    - c. If the DCO is unable to obtain an appropriate dental resource to meet the enrollee's dental needs, the matter shall be immediately called to the attention of the CCO and/or Oregon Health Authority (OHA) staff for assistance and guidance.
    - d. All efforts to locate a provider shall be documented in the enrollee's file.
6. The DCO will ensure that its written materials that are critical to obtaining services, including, at minimum, provider directories, enrollee handbooks, appeal and grievance notices and denial and termination notices available in the prevalent non-English languages for the particular service area. Written materials will also be made available in alternative formats upon request of the potential enrollee, enrollee or enrollee's representative, at no cost. Auxiliary aids and services will also be made available upon request of the potential enrollee, enrollee or enrollee's representative at no cost. Written materials will include taglines in the prevalent non-English languages, as well as large print, explaining the availability of written translation or oral interpretation (including American Sign Language) to understand the information provided and the toll-free and TTY/TDY telephone number of the DCO's member services team.
  - a. To comply with CCO contractual requirement with OHA, DCO shall determine Prevalent Non-English Language by reviewing assigned OHA/CCO enrollee files quarterly.
  - b. Preferred spoken language of non-English-speaking enrollees which has been included in the 834-enrollment file supplied by the CCO/OHA is communicated to network providers through the online DCO provider portal.
  - c. During business hours, the DCO shall provide access to qualified or certified interpreters who can interpret in the primary language of each non-English-speaking enrollee, including American Sign Language. Such interpreters shall be capable of communicating in English and in the primary language of the enrollee, and be able to interpret dental information effectively.
    - i. The DCO shall provide interpreter services by teleconference with:  
Passport to Languages at 1-800-297-2707
    - ii. For onsite interpreter services, the provider's office should call the DCO's Member Services Department at 1-866-268-9631 or call LanguageLine Solutions at 1-888-225-6056 to schedule..
    - iii. In addition, the DCO shall identify local hospitals and County Health Department staff available to provide interpreter services to enrollees.
    - iv. There shall be no charge to the enrollee for interpreter services.
7. The DCO shall require that telehealth services offered by network providers must be culturally and linguistically appropriate for enrollee needs.
8. Providers shall, with prior notice (from enrollee or DCO), be prepared to meet the special health care needs of visually and hearing-impaired enrollees.
9. The DCO shall provide new enrollees with informational materials, including welcome packet and health education materials that will be culturally sensitive to people with disabilities or reading limitations, and will be printed in the primary language of each non-English-speaking enrollee.
10. All enrollee materials shall include a tagline in large print (font size 18) explaining the availability of written translation or oral interpretation to understand the information provided, as well as

alternate formats, and the toll-free and TTY/TDY telephone number of the DCO’s member services department.

11. All enrollee materials shall be understandable (at a 6th grade reading level or OHA approved reading level, and electronic documentation shall be updated to be 508 compliant). Those that require OHA review and approval will be sent to OHA and the CCO for approval prior to use.
12. Alternative format for enrollee materials (such as braille, large print and audio) are available upon request.
13. All enrollee materials will be in at least a 12-point font or large print 18-point font. Fonts used may include Times New Roman, Calibri or Arial.

**DEFINITIONS**

“**Prevalent Non-English Language**” means all non-English languages that are identified during the eligibility process as the preferred written language by the lesser of:

- a. Five percent of the DCO’s total OHP enrollment; or
- b. One thousand of the DCO’s enrollees;
